

**Astronomy 230 Fall 2005**  
**Homework #3**  
Due in Class: Friday, Sept. 23

Note: This homework should be typed.

1. Using a web search engine, find a web page about aliens, ET intelligence, or UFOs that interests you (not about your presentation topic). Use at least 2 key words for search. **Write down your key words, URL, and print main page** (only 1 page necessary).
2. **Write a 3-4 sentence summary of web page content.**
3. **Critique web page in another 3-4 sentences.**
  - Does it have a scientific basis?
  - Does it use common sense reasoning?
  - Does it sound reasonable?
4. **List one good thing and one crazy-sounding thing** (if possible) from the webpage's conclusions.
5. Be prepared to discuss in class.
