

Astronomy 230 Fall 2005
Homework #5
Due in Class: Friday, Oct. 7

Note: This homework should be typed.

Write **two** multiple choice questions that you would expect to see on the October 21st Midterm.

- **Write** the questions **and** the A through E choices.
- **Label** the correct response.
- **Explain** the answer in 3-4 sentences.
- You will be graded on the relevance of the question to the class material.
- No facts questions, such as: What is the diameter of the Milky Way? I care more about conceptual questions.
