

## Astronomy 330

**HW#10 due tonight, not multiple choice, so do it early.**

**Final Paper due at the beginning of discussion class next week.**

**Next Week Review: Jeopardy Edition**

Music: *Fly Away*- Lenny Kravitz

## Final Papers

- Final papers due at **BEGINNING** of discussion class on May 5<sup>th</sup>.
- You must turn final paper in with the graded rough draft.
- If you are happy with your rough draft grade as your final paper grade, then don't worry about it.

## Online ICES

- ICES forms are available online, so far 4/26 students have completed it.
  - Come on!
- I **appreciate** you filling them out!
- **Please** make sure to leave written comments. I find these comments the most useful, and typically that's where I make the most changes to the course.

## Final

- In lecture classroom, Fri, May 7th, 0800-1100.
- Will consist of
  - 15 question on Exam 1 material.
  - 15 question on Exam 2 material.
  - 30 questions from new material (Lect 20+).
  - +4 extra credit questions
- A total of 105 points, i.e. 5 points of extra credit.
- Final Exam grade is based on all three sections.
  - In other words, you must do all three sections.
- If Section 1/2 grade is higher than Exam 1/2 grade, then it will replace your Exam 1/2 grade.

## Final

- A normal-sized sheet of paper with notes on both sides is allowed.
- Exam 1 and 2 and last year's final are posted on class website (not Compass).
- I will post a review sheet

## Presentations

- **Ryan Olliyes & Elias Kontos:** [Blackholes](#)

## HW #2

- **Adam Musto:**
