Questions?

We've covered a lot of astronomy dealing with how stars work. Are there any questions?

Discuss

Last week we discussed the origin of HONC. In groups of 3-4, for each element crucial to life, write 3-4 sentences explaining its origin.

Star and Planet Formation

Solar System Formation

Let's work on the first 4 questions on the worksheet:

Be careful about the scale on the plot

And, the last 3 questions...
