

# Astronomy 330 Spring 2008

## Homework #5

Due in Class: Thursday, Feb. 28

Note: This homework should be typed.

1. Write **two** multiple choice questions that you would expect to see on the March 4<sup>th</sup> examination.

- **Write** the questions **and** the A through E choices.
- **Label** the correct response.
- **Explain** the answer in 3-4 sentences.
- You will be graded on the relevance of the question to the class material.
- No facts questions, such as: What is the diameter of the Milky Way? I care more about conceptual questions.

2. Write **one** short essay questions that you would expect to see on the March 4<sup>th</sup> examination.

- **Write** an example essay that fully answers the question.
- **Make sure** to use ideas and concepts from class.
- **Explain** the answer in 3-4 sentences.
- You will be graded on the relevance of the question to the class material.
